

# Spreader Cabinet

Job Name: \_\_\_\_\_

Item No.: \_\_\_\_\_

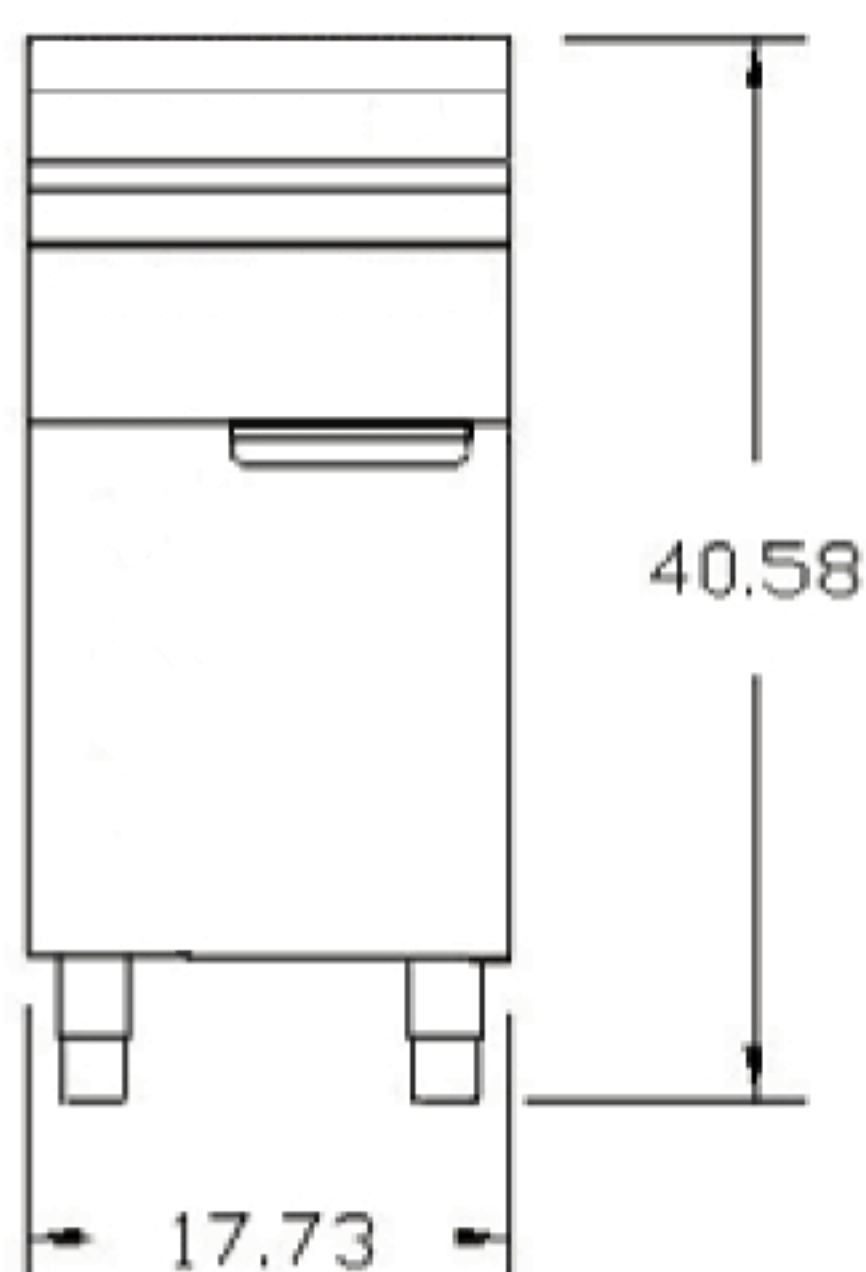

Desco's spreader cabinet provides a convenient working and storage space in between Desco's pasta cookers and gas ranges. The drawer and cabinet below offer users storage for cooking utensils, ingredients, plates, cleaning materials, or anything else that you need within an arms reach while you're working in the kitchen. It's constructed of stainless steel AISI 304, which offers consistency in look, feel, and ease of cleaning in accordance with other Desco kitchen equipment.
